

Technology Lesson Planning Sheet

version :7.3

21-Jul-04

Teacher	S Nicholson	Subject	Graphic Products - Shop Fronts
Teaching group	9h/p	BromCom Code	

(if different from teaching group label)

Day	Monday/Friday	Date		Lesson No.:	10 of 11
Topic	Assembly and Finishing	NC ref / SoW ref:		Key Stage 3	

Learning Objective(s) (by the end of this lessons pupils should understand / know / be able to...)

Develop a sense of Quality Assurance by establishing controls in the work

Choose appropriate tools and materials to apply a sense of realism in your model

Develop an appreciation of "pace" in order to meet the deadline

Appreciate a sense of quality and value for the work undertaken

Relate to the value others place within their own work providing support and peer assistance wherever possible

Special Needs / differentiation

All must... all should finish paint and apply other finishes where necessary to all relevant component parts

Most should most should apply detail to most of the parts and continue cutting and assembly

Some should some should complete painting/finishes with detail and assemble all component parts, and be able to assist others. (peer mentors)

Literacy	I.C.T.	Numeracy
Annotation	CAD	Averages
Answering Q in full sentences	Databases	Calculations (general)
Crossword / Wordsearch	Internet use	Graph drawing: scales
Keywords	Spreadsheets	Interpreting Data
Labelling diagrams	Word Processing	Measuring
Reading books / worksheets	Other	Other
Writing frames		
Other (give details)		

Starter Activity

Write the Homework in your diary

Get out last week's homework

Review safety procedures when using knives - prepare one half of the room for model work and the other

Homework Produce a final evaluation of your project. Do not forget to "test" the outcome, record the results and compare your model to the specification. Include possible further modifications.

Due in : next week

Main Lesson Activities

More painting and finishing of component parts

Final assembly of component parts

Error correction in the model making and recording what was done in the folder work.

(QA & QC) Finishing touches to all aspects of the model.

0

Plenary Health and safety check - checking tools and resources, complement on individual and group organization skills.

Learning Checks / assessment & summary

Discussion with pupils	o	Q/A session with whole class	y
Looking at folders / written and sketched work	y	Test	y
Practical outcome	y		
Other
